▶ **Vision and Prayer Focus ~ 2007**

- \* **The Agape family, now living in two separate small buildings, needs to be under one roof in a larger house. Funds have been given to get the house started. Another \$75,000 is needed to finish the project.**
- \* **Pray that the family bond can be strengthened**
- \* **Pray for baby Carol's health to improve**
- \* **Pray for Deepa—healing of memories and a love for her family**
- \* **This family reaches out to many homeless, unwanted persons, and to a colony of lepers. Pray for regular specific support for this outreach.**
